

INFOrmation ROCKland

Hours of Operation

8AM – 8PM Monday-Friday

Rockland County operates an Information and Referral service under the name *InfoRock*. This service is part of the County's commitment to make access to government and county services user-friendly for residents. *InfoRock* serves as Rockland County's primary connection for Health and Human Services inquiries, such as these below:

- Food, Shelter, Financial Assistance
- Health Programs
- Family Planning
- Family Support Services
- Child Care
- Employment and Training
- Home Care
- Senior Programs
- Mental Health Programs
- Counseling & Crisis Services
- Prescription Discount Plan
- Advocacy and Legal Services
- Adult and Child Protection
- Immigration Information

InfoRock 364-2020 Call Specialists have extensive knowledge regarding available local services provided by county agencies and organizations. This allows efficient handling of critical health and human services inquiries and quick response time. Share this beneficial service with your friends and family and give us a call!!! All calls are taken anonymously and language translation services are also available.
