County Legislator Bob Jackson Spearheads County Review For New City Farmer's Market

New City, NY (June 18, 2010) – Rockland County Legislator Bob Jackson, Chairman of the Planning and Public Works Committee, has proposed that a measure be slated for review during the June 22nd committee meeting that would enable the New City Farmer's Market to be held on county property. The proposal to hold a seasonal New City Farmer's Market originated from the Downtown New City Corporation and Clarkstown Councilwoman Shirley Lasker.

"I'm very proud to have the County of Rockland host the New City Farmer's Market," said Legislator Jackson. "It was wonderful to work with Clarkstown officials, the county executive's office, and the Downtown New City Corporation to make this ongoing event possible. The Farmer's Market will provide great opportunities for vendors and residents, and will attract market goers to downtown businesses, contributing to the New City economy. I myself look forward to patronizing the market for all the unique products that make this event so desirable."

The resolution advanced by Jackson designates the municipal parking lot between 2 and 18 New Hempstead Road as the site for the Farmer's Market, which will operate each Sunday from 9:30 AM to 2 PM from mid-June to mid-November.
