Statement by Harriet Cornell, Chairwoman of the Rockland County Legislature, On the Passing of New York State Senator Thomas P. Morahan

New City, NY (July 14, 2010) – Rockland County Legislature Chairwoman Harriet Cornell made the following statement today regarding the death of New York State Senator Thomas P. Morahan.

"We have lost a great ally who was motivated by the needs of the people of Rockland and Orange Counties and New York State," said Cornell. "Senator Morahan leaves a legacy of remarkable achievement on both the state and local levels. I was privileged to work with him in the County Legislature and during the many years he served on the State Legislature. He was an approachable and beloved public figure, frank and outspoken in his views, precise and determined in his actions on all matters that concerned the well-being of his constituency. His family was the center of his life and the thoughts and prayers of all who knew him are with his family in the coming days and weeks. Rockland has lost a loyal friend and a strong leader."
